

New Source Review newspaper advertisements for construction permit applications January 25, 2020. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be published on the following dates: January 26, 2020. Public notices are generally published every week. The previous publication of public notices was December 19, 2020.

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 22nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (615) 532-0207. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Greene County Highway Department with a mailing address of 795 Hal Henard Road, Suite 1, Greeneville, TN 37743. They seek to obtain an air contaminant permit (Division identification number: 30-0249-01/78740) for modification of a Hot Mix Asphalt Plant Facility located at 795 Hal Henard Road, Suite 1, Greeneville, TN 37743. This existing operation consists of crushed rock and

sand stockpiles, a continuous type mixer, and associated equipment used to produce hot-mix asphalt. A fabric filter (baghouse) is used for pollution control. The requested modification is to update the emissions limits based on EPA emission factors. There would be no physical construction. Regulated air contaminants emitted by this source would decrease. Mr. H. Flores is the assigned Division person.

For the Greene County "Greeneville Sun" --publish once on Tuesday, January 26, 2021.
